

Cherokee County, Georgia, 1870 Mortality Schedule

Mortality schedules record deaths in the year preceding the taking of the census. For example, the 1860 mortality schedules include persons who died between June 1, 1869 and May 31, 1870. For each person, the following information is listed: name, age, sex, marital status if married or widowed, state or country of birth, month of death, occupation, cause of death, and the length of the final illness.
