

# Cherokee County Death Records, 1919-1922

In 1919, the Georgia Legislature passed a law requiring civil registration of deaths within the state of Georgia. Deaths are registered in the county where the death occurred and a copy of the death certificate is filed with the state Bureau of Vital Statistics. Since 1919, the State has maintained yearly indexes to the registered deaths.

The list below contains the State of Georgia death records for Cherokee County, Georgia, for 1919 created from the microfiche version of the state indexes. All of these death certificates are available at the Georgia Archives, 5800 Jonesboro Road, Morrow, Georgia. The death certificates are arranged by year and thereafter by alphabetical order of the deceased.
